

13 November 2020

Dear Parent

RE: Year 11 Information Evening

We have been pleased with how Year 11 have returned after the half term break; the first mock exam window begins on 30 November and students are working well towards these upcoming assessments.

We are writing to let you know about an upcoming information event. On Monday 16 November we will be sharing an information video on the school website to support parents of Year 11 students. The purpose of the event will be to provide information on:

- Year 11 assessments and an update on Summer 2021 exams
- Revision strategies and how parents can support students

The video will 'go live' at 5pm on Monday, however you will be able to view it at your convenience. To support any follow up questions or queries you may have following watching the video, we have set up an email address to allow the Year 11 team to respond directly to them:

nes-y11information@emmanuel.nottingham.sch.uk

Additionally, during November, all Year 11s will be asked to complete an online survey which aims to help us better identify and understand students' learning and wellbeing needs since their return to school after the partial closures in the spring. We intend to use this information from this survey, alongside attendance information and mock exam results to identify how we can best support all students as they approach their examinations in the summer. The survey is hosted by ImpactEd, we will send you a separate link for further information on their Data Privacy Policy. If you have any questions or concerns, please contact the academy by 20 November.

Many thanks again for your ongoing support, and

Yours faithfully

Mr M Irons
Director of Achievement
