# **Post Result Services**

## **Enquiries About Results**

All Examination Boards provide a number of enquiry about results services which are available to students following the publication of results.

### **The following services are available:**

- Review of marking – an examiner will review the original marking to ensure the agreed mark scheme has been applied correctly.
- Priority review of marking (A Level only) – the same as a review of marking, but the application is processed as a priority where a University or Higher Education place is dependent on the result.
- Clerical re-check – a re-check of all clerical procedures to ensure the marks have been correctly added up, all the pages have been included in the marking or additional sheets etc. The marking is not reviewed with this service.
- Re-moderation of coursework – this service may only be requested by the relevant Head of Department. Re-moderation involves the re-moderation of the whole cohort and cannot be requested for single pieces of work.

### **The deadlines to request a post results service are published in your results envelope.**

If you wish to request a post results service you must provide your signed consent and pay the relevant fee. Please email [hregan@emmanuel.nottingham.sch.uk](mailto:hregan@emmanuel.nottingham.sch.uk) to request a form or see Appendix B of this document. For fee information, please see the fees section of this document.

The form must be completed and returned to the Exams Manager with the relevant fee before the deadline. Once completed please DO NOT return the form to your subject teacher but return it directly to the Exams Manager. Forms not handed in directly to the Exams Manager may miss the deadlines.

### **Importantly there are three potential outcomes to Enquiries About Results:**

- No change to the original mark/grade.
- The original mark/grade is increased.
- The original mark/grade is lowered. If the mark/grade is lowered you cannot ask for the original mark/grade to be re-instated.

Please be aware that this may affect your place at University or College.

In certain circumstances when a unit or overall subject grade has been amended you may be eligible for a refund, the Exams Manager will contact you if this is the case.

## **Access to Scripts**

All Examination Boards provide access to script services which are available to students following the publication of results.

### **The following services are available:**

- Access to Script – if you wish to have a copy of your exam script, usually if you intend to re-sit the qualification.

- Priority Access to Script – if you wish to view your script to help you decide if it should be reviewed.

**The deadlines to request access to scripts are published in your results envelope.**

## **Fees**

## Clerical re-checks, reviews of marking and Appeals

### Candidate consent form

#### Information for candidates

**The following information explains what may happen following a clerical re-check, a review of marking and any subsequent appeal.**

If your school or college submits an application for a clerical re-check or a review of the original marking, and then a subsequent appeal, for one of your examinations after your subject grade has been issued, there are three possible outcomes:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, so there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.

In order to proceed with the clerical re-check or review of marking, you **must** sign the form below. This tells the head of your school or college that you have understood what the outcome might be, and that you give your consent to the clerical re-check or review of marking being submitted.
