PEAK paragraphs are how we write our responses:

Point- Pick out a key idea in the poem to answer the question.

Evidence- Back it up with a quote.

Analysis 1- This is where you infer something from the quote in your words.

Analysis 2- This is where you add detail.

Zoom- Zoom in on a particularly dramatic word and explore its layers of meaning to show you understand language choices.

K- This is where you link your ideas back to the keyword in the question and link to the reader.

C Now you need to add a comparative sentence to link to your 2nd poem

Focus:

You will study a range of poems. They will be linked in a variety of ways such as themes and ideas.

Step 1: Work out the key ideas in the poem

Step 2: What language devices support this?

Step 3: How does the structure reflect these key ideas?

Step 4: What big messages do you think the poet is wanting to share with you?

Step 5: How does this compare to your second poem? In what ways are they related?
