

Unifrog is the main hub used in Sixth Form for everything to do with careers and employability. Whether you're planning on going to Sixth Form or College, applying for an apprenticeship or securing employment and training, unifrog has a wealth of tools to support you over the coming months. These tools include:

- **Geek Out:** a range of journals, articles, books, films and podcasts to prepare you for starting a course in your chosen subject
- **MOOCs:** these are online course aimed at unlimited participation and open access via the web. They give you the chance to study with top universities around the world. They enable you to gain knowledge in all sorts of areas and help you to develop career skills, prepare for other education, or explore a new interest.
- **CV and Resume Tools:** these are step by step guides that help you to collate your knowledge, skills and competencies and then draw them together in a powerful CV and/or resume to submit to potential employers.
