

11 January 2021

Dear Parent/Carer

Year 11 Reports

Students' mock exam results are being published today on Go4Schools. In your child's report you will be able to see, for each subject:

- **'MEG' (Minimum Expected Grade)**
- **'Current' grade (grade achieved in the most recent exams/assessed work)**
- **'Projected Grade' (teacher's projection for the most likely final grade, based on grades attained in December mocks and students' capacity to improve further)**
- **CFL grade ('Character for Learning' in lessons)**

We appreciate that this has been a turbulent week for students with the national changes to summer assessment, and lack of clarity currently on what exactly will replace exams. However the message shared last week is worth reemphasising; students must work with real focus and drive towards their next assessment point. ***Students should expect to sit further assessments, in school, in order for us to formulate their teacher assessed grade.*** It is our intention to run another set of mock exams with students in late March, assuming that they are able to return to school after the half term break – any changes to this will be communicated accordingly.

During on-line lessons students will continue to work on completing subject content and where relevant, completion of coursework. Teaching staff are developing methods to feedback on the mock papers via Microsoft Teams, but will also plan to use students' mock results for personalised feedback when they return to school.

If you or your child has questions about grades awarded, we would encourage you to contact the subject teacher for greater insight, however please be conscious of the fact that teachers nationwide do not yet have any further information on what exactly will replace exams.

Yours faithfully

Jonathan Saunders
Assistant Principal

Matthew Irons
Director of Achievement
