Dear Parent

I am writing to inform you that we will be using an online programme, Memrise with your child.

Memrise is a free language learning app that uses flashcards. The site's creators use the analogy of "planting a seed" when you learn a new word or phrase and "watering" when you review it. There are courses tailored to our curriculum map and in Memrise, you can set goals for yourself, such as how many minutes per day you want to study, and the app will keep track of your progress.

We are excited to be able to offer Memrise to your child and feel that it will be hugely beneficial in supporting your child's MFL lessons.

Please do take a look at the programme here: <https://www.memrise.com/> so that you can support your child with this new programme. Your child will create an account using their NES Google account, please take a look at Memrise's Privacy Policy here: <https://www.memrise.com/privacy>

If you have any queries, please do not hesitate to contact me using the contact details above.

Yours Sincerely,

*F.Lintern*
