Dear Parent or carer

Covid cases in Nottingham Emmanuel School

Over the weekend there has been several students who have tested positive for Covid 19. Analysing close contacts has indicated that all of these cases appear to be linked together, and it is possible that the virus is spreading within the school. Close contacts have been traced and will need to isolate for 10 days from their last exposure with the positive student. We have taken the decision to close to Year 8 this week as the majority of cases are within this year group. We have had positive cases confirmed in other year groups in the school too.

If you have lateral flow tests at home please can I ask that you test your child regularly this week, preferably at the start of the day. If your child was to test positive please can you immediately email the school on admin@emmanuel.nottingham.sch.uk with the name of your child and a picture of the positive Lateral Flow Test. Positive lateral flow tests need to be confirmed with a PCR test.

I am sorry for the disruption caused by the number of students needing to self-isolate.

Thanks for your ongoing support.

Yours faithfully

Mrs S. Stapleton
Principal
