Dear Parent

RE: Go4S reports and information at the end of the academic year

Students' 'Character for Learning' (CFL) grades are now available as reports on Go4Schools, as well as end of year summaries for attendance and behaviour points. Assessments for students in all year groups have been severely disrupted by school and year group closures this year, however students have been completing a number of assessments internally, across all subjects, as departments have adapted their curriculum and assessments in response to Covid changes within the year. In many subject areas this information is on Go4Schools, and therefore still provides you with some indication of assessment performance for the academic year. In the 'detailed progress' section on each student's profile page, you can see a breakdown of students' assessment scores in subjects, from their assessments through the year. If you have any queries regarding a subject-specific assessment, please email your child's teacher. In the new academic year, we are hopeful that we will be able to stick to the planned assessment windows for all year groups, visible on the school calendar, and with a full progress report issued after each assessment point.

RE: GL assessments

Students in years 7-9 have been completing assessments in English, Maths and Science throughout July. The results of these assessments are not typically shared with parents, however if you have any queries, please let me know. The results will be used internally to inform teaching groups and strategies.

Many thanks again for your on-going support and if there you have any queries about assessment and reporting, please do not hesitate to contact me at jsa@emmanuel.nottingham.sch.uk

Yours faithfully

J Saunders
