Dear Parents and Carers

We have a new convenient way for you to **access, review and request changes** to the data held on you and your children direct from your phone as well as see key term dates.

From Monday 2nd August 2021 you will be able to access our new parent app and website at your own convenience via smartphone, tablet or PC – anytime, anywhere.

What will you find in SIMS Parent:

- School term, inset dates and contact details available at the click of a button.
- Access to update your contact details, so we always have the most up-to-date information in case of emergency.
- If you have more than one child at school, you will have access to this information for all your children, from the same app.

Getting started with the SIMS Parent

1. We will be sending you an activation email to the email address we have registered for you, simply click on the link from your tablet, PC or smartphone to activate your account.
2. You can then login using your normal **Facebook, Twitter, Google** or **Microsoft** username and password.
3. From your smartphone or tablet, download the app from the Google Play or Apple App store - search for **SIMS Parent**.
4. From a PC or Windows phone, login online at www.sims-parent.co.uk
5. Please check and update your child's details and emergency contact information by 31st August 2021.

Please note that your activation email is unique to you and should not be used by anyone else. Your activation email will expire after 14 days if it is not used. If you require an additional login or replacement activation email please email admin@emmanuel.nottingham.sch.uk to request a replacement after this date.

Yours faithfully
