02 February 2022

Dear Parent/Carer

Parents evening – 9 February

I am writing to invite you in to school for parents evening next **Wednesday 9 February, 3.30-6.30pm**. The evening should provide a useful opportunity for you to discuss more detailed feedback on your child's progress so far at the Nottingham Emmanuel School, and to talk through results from assessments sat by Year 9 students over the past few weeks.

To help the afternoon run smoothly, we are asking for teachers to aim to have conversations lasting approximately 5 minutes, and for you as parents to move to an alternative subject area if there are already several parents waiting for a specific teacher. Subjects will be spread across the main hall, dance studio and canteen, with plenty of signage to support you, as some of you may be unfamiliar with the school site. We will also have masks available from reception, and encourage use of masks during the event.

Progress reports

This week, progress reports will be available for parents and students to view on Go4Schools. These reports will show an overview of assessment results in each subject, indicating if a student is making 'on', 'above' or 'below' expected progress, as well as attendance and behaviour measures. During tutor period next week students are receiving a hard copy of their progress report, and a target sheet for reviewing their progress and setting themselves targets for the coming months. Where possible, please bring these with you to parents evening. Students have had feedback lessons in all subjects to ensure that they have clear areas of development ahead of the second Year 9 assessment period in summer term.

Yours faithfully

Jonathan Saunders
Assistant Principal
